Festival International 2024

Festival International de Louisiane was founded in 1986 by a group of music enthusiasts who wanted to celebrate the rich cultural heritage of Louisiana and promote the region's unique music and arts. The first Festival, held in 1987, was a huge success, attracting thousands of visitors from all over the world. Festival International de Louisiane has become one of the largest and most prestigious music festivals in the United States.

Our favorite event of the year is fast approaching! The amazing musical lineup from all over the world, the artists and art displays, the food, drinks, and vendors seem to get better every year. You do not want to miss Festival International, the most anticipated cultural event in Downtown Lafayette.

Starting April 24th and ending on April 28th, 2024!
